

What is the Colorado Springs Youth Symphony Association?

Founded in 1980 with the purpose of providing artistic and educational development of musically talented and dedicated junior high youth within Colorado Springs' School District #11, the Colorado Springs Youth Symphony Association (CSYSA) began with 70 young musicians and gave a single performance the first season.

Today, the Youth Symphony is comprised of ten individual groups, including 4 string orchestras, 2 wind ensembles, 2 jazz bands and 2 full orchestras. We also provide a beginning strings program to students wishing to learn a string instrument. Additionally, we have a Baroque Chamber Music Program and chamber ensembles for musicians looking to explore a different genre of music.

Approximately 500 young musicians are accepted every year to take part in one of these groups. Currently, students from over sixty schools from the Pikes Peak region participate in our programs.

Our ten youth ensembles connect families to the life-altering power of musical performance, both in the Pikes Peak Region and around the world. Whether they are playing at home in the Pikes Peak Center in Colorado Springs or far afield in Haiti, St. Kitts, Berlin, and Prague, our students benefit from our comprehensive instrumental music program.

THROUGH MUSIC WE ARE ONE!

Our motto, adopted from a visit to a Maori tribe in New Zealand, came from a tour in 1998. "During our time on the north island of New Zealand, our tour organizer arranged for us to spend a night with a Maori tribe. Upon our arrival at the Maori community near Lake Taupo, in the center of the north island in the shadow of volcanic peaks, we learned the traditional Maori greeting, bumping noses twice while saying 'kiora'. After being greeted by our hosts, we were separated, male from female and seated facing the tribal council. A tribal elder gave an official greeting to us in his native Maori tongue which was subsequently translated for us. The tribal elders' Maori words, 'He kotahi tatou me nga waita' translated into 'Through music we are one.' which we learned to be true as during the evening the Maoris shared their music with us, and we shared ours with them. Upon returning to the U.S.A., we adopted the phrase as our organizational motto, a motto that has guided our musical endeavors ever since."

-Gary Nicholson, Music Director

Welcome to the Colorado Springs Youth Symphony Association!

We are so excited for all of you to join us for our 45th season! We want to welcome all our returning musicians and their parents, as well as extend a very special welcome to all our new musicians and parents to the Association. Music is much more than beautiful art—it is a vehicle for learning essential life skills. By following a challenging musical curriculum, the students of the Youth Symphony Association learn teamwork, organizational and leadership skills, personal responsibility, and the value of hard work.

As part of an internationally acclaimed music program, the musicians of the Youth Symphony Association develop their musical skills, and they learn what it means to work together toward a common goal, to experience the thrill of accomplishment, and to feel the pride of a job well done. We look forward to having you join us for a tremendous season!

The CSYSA Handbook is provided for your convenience and should be referenced throughout your student’s musical journey with the Colorado Springs Youth Symphony Association. It contains important information, guidelines, and expectations. You will be informed of changes and updates as they occur.

We look forward to sharing the 2024-2025 musical season with all of you!

Sincerely,

Conduct & Philosophy

Colorado Springs Youth Symphony Association Philosophy: The mission of the Association is to inspire young musicians in the Pikes Peak Region to become future leaders, to provide artistic and personal development as well as diverse musical experiences for young musicians, and to collaboratively create and share exceptional music that bridges cultures and communities.

Expected Conduct: Students, parents, and volunteers represent the goals and values of Colorado Springs Youth Symphony Association (CSYSA) at all times. CSYSA provides students a quality experience and environment for safe travel, rehearsals, performance, music camps, and other activities. Drugs, alcohol, tobacco products, raucous behavior, profanity, inappropriate sexual contact or behavior, to name a few, whether or not during Colorado Springs Youth Symphony activities, will not be tolerated, and can result in discipline, suspension, or dismissal. Please refer to the information that was mailed out with your acceptance letter.

Colorado Springs Youth Symphony Association is a member of the League of American Orchestras, the Pikes Peak Arts Council, the Colorado Springs Chamber of Commerce, the Colorado Springs Convention and Visitors Bureau, and the Colorado Non-Profit Association.

The Colorado Springs Youth Symphony Association recognizes that public and private school music programs are essential to its existence as these programs help launch most students into their musical careers. The Colorado Springs Youth Symphony Association expects all CSYSA musicians to participate in their school music programs. CSYSA students are important leaders in their respective educational institutions and it is expected that they contribute to their music programs to the best of their ability unless there are prohibiting circumstances or reasons.

Rehearsals, Concerts, & Attendance

Musicians are expected to attend rehearsals, including all dress rehearsals and concerts for their group. Missed dress rehearsals may result in the musician not being allowed to perform in that performance. Missed performances can result in possible dismissal from the Colorado Springs Youth Symphony Association. Updated rehearsal and concert schedules can be found at csysa.com on the CSYSA calendar.

- All rehearsals will take place at CSYSA Headquarters, 3113 Primrose Drive Colorado Springs, CO 80907.
- Musicians are allowed four absences from rehearsals per season. Submit your absences by e-mail to office@csysa.com as far in advance as possible. Last minute absences must be called in to the office before the rehearsal begins, if possible.
- Late arrivals and early leaves count as one half of an absence.
- More than four absences may be cause for dismissal. Each absence is neither excused or unexcused, but dismissal is evaluated on a case by case basis. Conflicts are expected to be handled responsibly, with the appropriate conductor being contacted well in advance.

Cancellations

You will be notified via email by noon that day if rehearsal is cancelled for any reason. Information will also be on the office phone message and website (csysa.com). Rehearsals are sometimes cancelled due to weather concerns. We understand weather conditions in Colorado Springs change throughout the day or vary from one area to another, so please use your own discretion for traveling. Safety is our primary concern.

Concerts and Tickets

The concert schedule is set at the beginning of the year, and all concerts are mandatory for our members. As part of your tuition costs, you will be given vouchers or an online coupon code to exchange for tickets to each of the concerts in which your musician performs. Vouchers can be redeemed at the venue's Box Office and coupon codes at the venue's online ticketing portal. Additional tickets can be purchased at that time as well.

Dress Rehearsal and Concert Attendance

Dress rehearsal and concerts are REQUIRED. Missed dress rehearsals may result in the musician not being allowed to perform in that performance. Missed performances can result in possible dismissal from the Colorado Springs Youth Symphony Association. Musicians must speak with their conductor to be excused from a concert; the conductor will give permission for emergency situations only. Also inform the Parent Managers. Contact information for conductors and Parent Managers will be sent at the beginning of the season.

Cell Phone Policy

Cell phones should only be used during rehearsals for tuning and metronome purposes. Any additional use of cell phones during rehearsal time may result in the confiscation of the phone for the rest of that rehearsal.

Late Pickup Fee

All CSYSA musicians who are not driving themselves to and from rehearsals are expected to be picked up within 10 minutes after the scheduled end of rehearsal time or return time of any tours or off-site activities. After the 10-minute grace period, a fee of \$20 will be assessed for all or part of each 15 minutes until the musician is picked up in order to cover the cost to the organization for staff support.

Music Camp

Prior to the start of each new musical season, the musicians of the Colorado Springs Youth Symphony Association come together for an intensive Music Camp. Music Camp serves as the springboard for our season, bringing together new and returning musicians. Our plan is to move forward with holding camps in the mountains, but this is subject to change.

This year's activities will include group rehearsals, sectional rehearsals, team building, professional performances, leadership training, games, crafts, and a live concert for friends and family.

Music Camp is an ideal way for our conductors to learn about their musicians and for our musicians to meet their conductor, coaches, and fellow musicians. Music Camp allows us to relay to our members the philosophy and expectations of the CSYSA in a fun and productive way.

Music camp is mandatory and cost is included in the cost of tuition.

Music camp registration packets are emailed approximately one month prior to camp. Music for the band and orchestra camps will be available one week prior to their camps. Music for the strings camp will be distributed at rehearsals the week prior to camp.

The Ascent Big Band and Pinnacle Jazz will have their own kick-off to the year for the jazz program only.

Band Camp (Bravo! Winds and Pikes Peak Winds)

August 2-4, Quaker Ridge Camp & Conference Center

Orchestra Camp (Ovation Youth Orchestra and Youth Symphony)

August 5-7, Quaker Ridge Camp & Conference Center

String Camp (Wolfgang, Amadeus, Allegro, and Vivace String Orchestra)

August 23-25, Quaker Ridge Camp & Conference Center

Music & Auditions

Music

Musicians are required to bring their music and equipment to all rehearsals and all concerts. In the event of an absence, woodwind, brass and percussion players are expected to arrange for their music to be at the rehearsal.

Auditions

All Colorado Springs Youth Symphony musicians are required to audition every musical season. Audition guidelines and music will be distributed or may be downloaded from csysa.com/auditions approximately 30 days before auditions. This includes a packet of excerpts and directions for excerpt selection, scales, rhythm sight reading, and note sight reading. A two minute excerpt from a solo of choice should be prepared for consideration for the top three groups.

Auditions are performed “live” before a panel of professional musicians and are judged on presentation, tone, musicality, accuracy, intonation, technique and rhythm. There are fall and winter auditions for open positions only. Also, any musician who would like an assessment during the year can contact the Music Director for an appointment.

Private Instruction

The CSYSA recommends that all students take private lessons. Fundamental skills supporting musical achievement are greatly improved with private instruction. Please contact the CSYSA Office for a list of local teachers.

Communication

We want to keep you informed! The CSYSA works to ensure all information is distributed to our members. It is your responsibility to stay informed even if the musician is absent. We use the following 3 methods to distribute communication:

E-mail: This is our primary means of communication with families. Notices about rehearsals, concerts, events, fundraisers, and all CSYSA activities will be sent to all e-mail addresses we have on record for your family. Often our messages are filtered by some e-mail platforms as spam, so please check your spam folder if you think you are not receiving CSYSA e-mails. It is essential we have your current e-mail address(es) for the entire season. Please notify the office of any physical address, phone, or email changes during the season!

Website: The CSYSA maintains a “Parent” page on our website which will include links to important documents and information pertaining to the organization. The Parent page can be found at www.csysa.com/parents.

Note: Conductor and Parent Manager contact info can no longer be found on the Parent page. Your musician's conductor and PM info will be shared at the beginning of the year in an e-mail. If you need to request that information again, please contact the office.

Billing: Statements of accounts are sent monthly as a courtesy to families. Through the software we use, we can send it to ONE email address only, so this should be the email address of the person financially responsible for the musician. Payments are due per the payment plan you select at enrollment and are expected to be made on time **whether or not you have received an emailed statement**. Accounts with a \$0 or less balance will not receive statements except by request.

Value: Students pay approximately \$9-17 per teaching contact hour to be in our association. This includes music instruction/coaching from top music educators in the region, performance/outreach opportunities, and leadership training.

The Colorado Springs Youth Symphony Association subsidizes all activities through fundraising, donor cultivation, and other marketing activities.

Students going on international, national, or regional tours pay additional for that experience. The fee varies-the CSYSA is diligent in providing the best educational opportunity for the lowest cost. Fundraising opportunities are available to students who wish to earn money toward tours. These opportunities will be discussed at the enrollment meeting. One day outreach tours are included in tuition costs.

Methods of Payment

In order to make payments as convenient as possible for our families, we offer the following options.

-By mail: Personal checks or money orders may be mailed to the post office box listed on the previous page.

-By phone: Payments may be made over the phone with a credit card during office hours. There is no fee for paying by credit card, except in the case of tour payments. Tour payments made by card are subject to a 3% card processing fee.

-In person: Those wishing to make a payment by cash or any other means may stop by the office during office hours to be helped by one of our administrative staff.

-Online: Payments may be made 24/7 at our new online payment portal. This can be found at www.csysa.com/make-a-payment. There is no fee for using the online payment portal.

-Automatic Payments: Completing the online enrollment packet does not sign your family up for automatic payments. To set up automatic recurring billing to a credit card or bank account, please contact the CSYSA office prior to the first payment due date of August 15th.

Fundraising & Financial Aid

We value music education and want to ensure that no musician has to decline a position because of finances. We work to support our musicians financially by providing support in two ways: fundraising and financial aid.

Fundraising

We have 4 main fundraisers during the year for our musicians.

-King Soopers Community Rewards: King Soopers and City Market Grocery Stores will contribute 5% of all of your grocery purchases made with your loyalty card to the CSYSA. In order to participate, you must create an online account at www.kingsoopers.com and enroll your loyalty card with our organization through that account. Once you register your loyalty card number with the CSYSA office, 5% of your grocery purchases will aid our organization in keeping tuition costs down and pursuing our mission. Note that KS cards can no longer credit student accounts.

-Safeway Community Giving: Purchase a \$10 Safeway gift card from the office and all grocery purchases made with that card will contribute 5% to the CSYSA, with half of that being deposited into a travel account for your musician. These gift cards can be reloaded at any Safeway store. Funds raised can be used for any future travel opportunities.

-Program Ads: Every year we publish advertisements for local businesses in our programs. Most of these ads are sold to local companies by musicians. For every ad sold, musicians earn at least 50% of the ad price for their accounts. A copy of the Program Ad Request form can be found on the Parent page of our website or picked up in the CSYSA office. See further details on the next page!

-Required Fundraiser: Our required fundraiser this season will be Holiday Plants and Butterbraids. This is our only required fundraiser for the organization. See page 17 for more detail.

-Travel Fundraiser: Our optional travel fundraiser this year will occur throughout the season. All funds raised through this fundraiser will be credited to student accounts. These orders can earn a lot of money for our families. Details about this fundraiser will be announced later in the season.

**Funds raised for student travel accounts are carried over from year to year so that fundraising for regional and international tours can occur across many seasons.*

Financial Aid

The CSYSA has increased available financial aid to ensure that all students can participate. We encourage anyone experiencing hardship to apply. An application is included in the enrollment forms, and you will need to attach your most recent 1040. Be sure to document special circumstances. Financial aid awards are sent in September. Students receiving scholarships are expected to participate in fundraisers to help offset the cost of tuition.

Required Fundraiser

Our required fundraiser this season will be Poinsettias and Butterbraids. Flyers will be distributed in September.

Requirement for auditioned groups: Families with one or more musicians in our auditioned groups are required to raise \$200 by selling \$500 in this fundraiser. This obligation is per family, not per musician! If you do not meet the requirement, you will be billed for the remainder. Musicians receive 40% of profits from holiday plant and Butter Braid sales. This means that you will need to sell \$500 in product to meet the \$200 obligation. If you choose, you may pay \$200 to avoid fundraising. All sales made past the requirement will go directly toward your student's travel funds. We very much appreciate the hard work that families and musicians contribute to this fundraising endeavor.

Requirement for Mozart Strings: Families with musicians only in Mozart are required to raise \$100 by selling \$250 in this fundraiser. This obligation is per family, not per musician! If the Mozart musician has a sibling in an auditioned group, the obligation is based on the auditioned musician. Musicians receive 40% of profits from holiday plant and Butter Braid sales. This means that you will need to sell \$250 in product to meet the \$100 obligation. If you choose, you may pay \$100 to avoid fundraising. All sales made past the requirement will go directly toward your student's travel funds. If you do not meet the requirement, you will be billed for the remainder. We very much appreciate the hard work that families and musicians contribute to this fundraising endeavor.

**Excess fundraising from the required fundraiser will go into student travel accounts.*

If you choose not to participate in this fundraiser, you will still owe \$200/\$100 per family. This will be billed to your tuition account later in the season.

Volunteers & Parent Council

Volunteers in the Colorado Springs Youth Symphony

The Colorado Springs Youth Symphony Association would not be able to fulfill its mission without the support of the entire organization, including our wonderful volunteers. An active level of parent participation also makes an immense impression on the youth who see their parents taking part and supporting them through these activities. The volunteer help we receive each year from parents and musicians alike assists the acceptance of application for grants and donations from foundations and corporations. We have volunteer opportunities throughout the year, from occasional help with office needs to year-long commitments for Parent Council. Position descriptions are listed on the next page. A volunteer form is included in your enrollment packet if you would like to sign up to help with specific volunteer opportunities. Emails will also be sent regarding additional volunteer opportunities as they arise.

Parent Council

The Parent Council is comprised of CSYSA volunteers holding key positions in the organization. Parent Council meetings are open to all CSYSA parents/guardians. Meetings are held monthly. Please fill out the volunteer form in your musician's enrollment packet if you are interested in joining the Parent Council, or you can contact parentcouncil@cysya.com for more information.

Parent Council Mission Statement: The Parent Council of the Colorado Springs Youth Symphony Association is a volunteer parent organization committed to supporting the success and growth of the Association by focusing on behind-the-scenes details, enabling its staff members to focus on student music, responsible citizenship, and leadership. We aspire to be positive role models, work cooperatively as a group, and perform committee duties responsibly. The Parent Council organization supports and encourages positive parent involvement.
